He is able to scrape his windows and hurries to work, avoiding the headaches of arriving late to that important meeting.

This is just one of the scenarios which a promotional ice scraper comes in handy. A truly effective gift, whether it is used on a daily basis in colder climates or as a handy tool in more moderate climates. Help your customers get on with their day.

Cost-effective and with a large imprintable area, they make a perfect holiday or seasonal giveaway. Start the New Year off right with an ice scraper promotion that says "we are here to help in those tough times." It will be sure to show results that next time your customer gets their kids to school on time.

Ice scrapers also make a good company giveaway. At the next holiday party, include it as a "party favor." While it might be the most innovative or fun promotion, it has the utmost practicality. It will also help to ensure that business is still functioning when your competitors are still digging themselves out of last night's snowstorm.

For the executive on the go, a briefcase is more than just a place to protect important documents while you travel; it becomes a mobile office. Whether it is an expandable briefcase, a leather portfolio or a computer saddle bag, your choice needs to be functional, stylish and professional. The right briefcase selection is sure to make your high-end clients feel appreciated.

Everyone is crunched for time these days and a carefully selected briefcase will tell your clients that you are thinking about their needs. A briefcase adds that personal touch which shows your clients that they are not just another account; they are an important part of your company's success. Whether it's a small, sports briefcase or a larger computer attaché, they will understand that you know them as more than numbers on a balance sheet.

Are you are looking to reward that special employee for making a big sale? Nothing says "job well done" like a top-of-the-line leather briefcase. It goes beyond the usual briefcase with space for a laptop computer, beverages and all of the other essentials you need for a busy day in the field. It will make them feel both appreciated and give them the tools they need for continued success.

A briefcase imprinted with your company's is a great choice, since your clients and employees will use it constantly, providing a great deal of brand exposure. The professional look and style of the classic briefcase exudes confidence, and the functionality gives them versatility in our modern world.
